Subject: Cease and Desist - Defamatory YouTube Content

Dear abmzayt,

This letter serves as formal notice and demand that you immediately cease and desist your unlawful actions against my client, Sabine, who shall be referred to by first name only to further protect the privacy which you have already violated. Sabine is a family member of the CEO of the AlbinoRaccoon Media Group LLC, a powerful force in social media marketing in the Tri-State Area, and will be represented by us as such. It has come to our attention that on January 26, 2025, you posted a video on YouTube featuring my client and their significant other, accompanied by a caption that falsely insinuates infidelity. This caption and the video have caused significant harm, including severe emotional trauma, to my client as well as harassment from the public.

Your actions constitute defamation and intentional infliction of emotional distress. By falsely portraying my client in a defamatory light and publishing this content to a wide audience, you have not only tarnished my client's reputation but also caused unwarranted public harassment and emotional suffering. My client also verbally told you to stop, as used in the video, to which

you continued to laugh in her face and keep in the video. These actions are legally actionable under applicable laws, including but not limited to libel and privacy violations.

We hereby demand the following:

1. Immediate removal of the section of the YouTube video containing Sabine & Hudson from all platforms and accounts under your control.
2. Written confirmation of compliance with these demands within five (5) business days of receipt of this letter.

If you fail to comply with the above demands, my client is prepared to pursue all available legal remedies against you, including but not limited to a defamation lawsuit, seeking compensatory and punitive damages, as well as injunctive relief. Be advised that your continued publication of this content exacerbates the harm to my client and strengthens the case for damages.

This letter is not a complete statement of my client's rights and remedies, nor is it a waiver of any rights or remedies, all of which are expressly reserved. You are urged to take this matter seriously and act immediately to resolve it.

Please direct all correspondence regarding this matter to my attention at the contact information provided above.

Sincerely,

A handwritten signature in black ink that reads "Lucas Biondo". The script is fluid and cursive, with the first letters of "Lucas" and "Biondo" being capitalized and prominent.
